Camelback East Village Planning Committee:

Local First Arizona is pleased to offer our full support in the acquisition of a use permit for C&S Sporting Goods to sell second hand merchandise at 7822 North 12th Street. As long-time members of our business coalition, C&S has continuously shown their commitment to improving their community and supporting the local economy.

By stocking a large selection of affordably-priced new and used equipment, C&S has increased opportunities for all neighbors to lead active and healthy lifestyles, and contribute to building a healthy local economy in Phoenix. Outside of the store, C&S offers community sponsorships, provides equipment to local teams, and participates in team fundraisers, showcasing the true nature of being a great local business in our city. Permitting their continued service in stores and to the community through the sales of used merchandise is a win for Phoenix.

Best Regards,

Thomas Barr
