RE: C&S Sporting Goods (Zoning)

To Whom It May Concern:

I am writing this letter in support of C&S Sporting Goods (C&S) attempt to properly classify its zoning to allow its continued operation at their new location on the SW corner of 12th and Northern. C&S has been a strong partner in the community offering high quality second hand sporting goods and a consistent supporter of our nonprofit community sports league. Our league services the entire Central to North Phoenix area (Youth Soccer and Baseball) with over 1,000 kids and families. About 25% of our families are on scholarship and C&S sporting goods has always been there to provide affordable sporting equipment. There currently is no other second-hand sporting equipment vendor in the area and the loss of C&S's ability to operate at their new facility would put an added financial burden on our community sports league.

Sincerely,
