Do the area schools have capacity for new students?

The school district has already responded and has indicated it has adequate school facilities for the proposed development.

"The school district has adequate school facilities to accommodate the projected number of additional students generated by the proposed rezoning/amendment within the district's attendance area."

School District Response Form

For additional information, please call the Planning and Development Department at (602) 262-7131, option #6.

To be completed by applicant. Date: 7/1/24
Project Name: DEER VALLEY APARTMENTS
Project Location: DEER VALLEY RD & 30TH AVE (N/W/C)
Applicant Name: TAYLOR C. EARL Phone: 602-265-0094
Applicant E-mail: TEARL@EARLCURLEY.COM Fax:

School District: DEER VALLEY UNIFIED SCHOOL DISTRICT

I, JAMES F. MIGLIORINO hereby certify that the following determination has been made in regards to the above referenced project:

☒ The school district has adequate school facilities to accommodate the projected number of additional students generated by the proposed rezoning/amendment within the school district's attendance area; or

☐ The school district will have adequate school facilities via a planned capital improvement to be constructed within one (1) year of the date of notification of the district and located within the school district's attendance area; or

☐ The applicant and the school district have entered into or are working on an agreement to provide, or help to provide, adequate school facilities within the school district's attendance area in a timely manner;

☐ The agreement includes or will include the reservation of a school site.

☐ The agreement does not or will not include the reservation of a school site.

☐ The school district does not have adequate school facilities to accommodate projected growth attributable to the rezoning.

Attached are the following documents supporting the above certification:

☑ Maps of attendance areas for elementary, middle, and high schools for this location.
☑ Calculations of the number of students that would be generated by the additional homes. } SEE ATTACHED
☑ School capacity and attendance trends for the past three (3) years.
